

PROVANTAGE PLOW LIFT RETURN AND \$200 CASH REBATE ON NEW WINCH PURCHASE

Warn Industries identified an issue with the ProVantage Plow Lift that may cause it to stop operating. Warn is actively working on a replacement Plow Lift but we do not have one available at this time. As an alternative to the ProVantage Plow Lift, for those customers needing a replacement to keep their plows operating during this winter season, we recommend using any WARN® RT, XT or MT winch.

Warn Industries is offering a \$200/USD cash rebate to customers that have purchased a ProVantage Plow Lift (PN #79630) or ProVantage Plow Lift Service Part (PN #80677), and have returned this product to a reseller for a full refund (details below), and purchased a new WARN® RT, XT or MT Winch.
